{INFO:}. ALL UP EVEN THE CAT

{SAMANTHA}. Are you going trick-or-treating this year?

{WINTER}. Of course!

{SAMANTHA}. What are you going as, a princess perhaps, or a Bible character?

{WINTER}. No way, I want to go as a witch and Daisy can be my cat. I EVEN GOT A BROOM.

{BRIAN}. Well, I don't think that's a good idea!

{WINTER}. Why not?

{BRIAN}. Well, the Bible is very clear about this kind of stuff.

{SAMANTHA}. What do you mean Brian?

{BRIAN}. Well, first of all you know that Halloween is the devil's holiday, right?

{WINTER}. What do you mean by the devil's holiday?

{BRIAN}. Well, is definitely the devil's holiday, dressed up as wicked evil people or beings.

{SAMANTHA}. We just think it's fun to dress up right Winter?

{WINTER}. Of course!

{BRIAN}. Trick or treating is a fun thing to do but you can do it without paying tribute to the dark side.

{WINTER}. What dark side?

{BRIAN}. Why do you think it's so fun to dress up as the devil himself?

{SAMANTHA}. We're just trying to have fun.

{BRIAN}. You can have fun without paying tribute to the devil.

{WINTER}. How do you do that?

{SAMANTHA}. Yeah, how do you do that?

{BRIAN}. Well, when you dress up as the dark side you open up yourselves to the dark side. And you definitely don't want to do that.

{WINTER}. You mean all that scary stuff is real?

{BRIAN}. Absolutely it's real! The Bible warns us to stay away from these things. I'm sure it hurts the heart of God that his people will dress up as these things.

{SAMANTHA}. I do remember something about bad angels.

{WINTER}. Oh, you mean the fallen ones?

{BRIAN}. Yes, it is all real and you should never open yourselves up to them.

{WINTER}. How is dressing like a witch going to do that?

{BRIAN}. That's exactly what the Bible says NOT to do.

{SAMANTHA}. Well, what about a queen? Or a bumblebee even, or even something non-scary.

{BRIAN}. In my opinion you shouldn't celebrate Halloween at all.

{SAMANTHA}. Well, that doesn't sound like fun.

{BRIAN}. Look, all I'm saying is if you're going to go trick-or-treating then you should do it in a way that honors God and not inflames him and makes him angry. I'm not sure that, that is even possible.

{WINTER}. Well, I think it's fun.

{BRIAN}. All sin is fun, until it's time to pay the piper. And you definitely don't want to get too close to the devil.

{SAMANTHA}. Are you saying that we can get close to the devil by what we wear for Halloween?

{BRIAN}. Absolutely you can. Like playing with Ouija boards you're playing with the bad things.

{WINTER}. Well, we definitely don't want to make God mad at us. Maybe I should change my mind and lose Daisy.

{DAISY/PANDORA}. MEOW, MEOW, MEOW!

{BRIAN}. No, you need to change your whole mind about what you're wearing. Or dressing up as.

{SAMANTHA}. Well, I guess I could help you Winter and come up with a different costume.

{WINTER}. Okay, I would like that. What do you have in mind?

{SAMANTHA}. I know how about a BIG PUMPKIN.

{WINTER}. Oh, that does sound fun!

{BRIAN}. Well, that's certainly better than your first choice. Look, it's very dangerous out there, you should never go without a parent or guardian. Things are not as safe as they used to be. A better alternative would be going to a trunk and treat at a church somewhere. It's very dangerous to go trick-or-treating alone.

{SAMANTHA}. Well, I always go with my sister.

{WINTER}. And I always go with my brother.

{BRIAN}. Well, unless your sister or brother is 20 years old that's not good enough. You have to take safety precautions very seriously these days.

{WINTER}. Can we go up to the house alone?

{BRIAN}. Absolutely not. Never go to a house by yourself. And preferably not without an adult. It's just too dangerous these days.

{SAMANTHA}. Why do fun things always have to be so complicated?

{BRIAN}. It's the time that we live.

{SAMANTHA}. I don't even know what that means.

{BRIAN}. It means that you have to be very careful about approaching a stranger's door, especially without an adult present. In fact you should not approach a stranger's door without an adult.

{WINTER}. That just sounds like you're trying to spoil our fun!

{SAMANTHA}. Yeah, what she said.

{BRIAN}. It's not about spoiling your fun. It's about being safe, you want to be safe, don't you?

{WINTER}. Of course.

{BRIAN}. That requires you to do the things that keep you safe.

{SAMANTHA}. Well, we definitely want to be safe. Right Winter?

{WINTER}. Absolutely, . . . I think.

{BRIAN}. The devil is real and is a roaring lion seeking who he may devour, and so are the fallen angels. Don't invite bad things into your life by doing the wrong things. You have to be careful.

{WINTER}. Okay we Will . Won't we Sam.

{SAMANTHA}. Absolutely we want to be safe ,have a good time and not make God mad at us.

{INFO:}. ALL GO DOWN
