{SAMANTHA}{INFO} comes in.

{SAMANTHA} Hey Winter, I DON'T LIKE YOU ANYMORE!

{WINTER} What!... what are you talking about?

{SAMANTHA} I don't want to talk about It!

INFO SAMANTHA STARTS TO WALK OFF.

{WINTER} Wait!... Samantha... what's going on?

{SAMANTHA} YOU HURT MY FEELINGS!

{INFO}

{SAMANTHA} stomps offstage

{WINTER} {INFO} turns an looks at BRIAN What was that all about?

{BRIAN} I have no Idea.

{MATT} Okay that was weird!

{WINTER} Well, the only thing I said was I didn't like her hair.

{BRIAN} Oh,.... I'm sure that went over well.

{WINTER} What?

{BRIAN} Some people are very sensitive about how they look.

{MATT} Yes, my sister is very sensitive about stuff like that ....It's better to just lie.

{WINTER} Do you really think she got offended over me telling her I didn't like her hair?

{BRIAN} Well, not so much offended.... but you could have hurt her feelings. You are her friend. You can hurt her, when no one else can.

{WINTER} What do you mean?

{MATT} I got this, well, when someone likes you, and you hopefully like them,... you're sensitive to one another and care about what they think.

{WINTER} You think she's sensitive about that?

{BRIAN} Well, some people think that's very personal... because you're talking about them personally.

{WINTER} Well, how should I have said it then?

{BRIAN} Well, you could have said I "LIKE" curly hair. that makes it a little less personal than to say I don't like your hair!

{MATT} Hummm. . . That's good advice.

{WINTER} Well, I think she's just being too sensitive!

{BRIAN} Anytime you hurt someone, and hurt their feelings, an apology is in order.

{WINTER} Oh, she knows I didn't mean to hurt her.

{BRIAN} Well, that may not have meant to hurt her.... but that's not what happened.

{MATT}.... Obviously!

{WINTER} Well, how am I supposed to fix it now?

{BRIAN} Again, you need to apologize for hurting her feelings.

{WINTER} Boy, if I had to apologize every time I hurt somebody's feelings that would be all I got done.

{MATT} It's easier than you think to hurt someone you love and loves you.

{WINTER} You love me! .... did you actually say that?

{MATT} Okay... don't misunderstand, let me rephrase, I care about you. I don't want you to be hurt or get hurt. that Includes me saying the wrong thing, or physically hurting you like pinching you or smacking your hand or pulling your hair.

{WINTER} You didn't mind doing that kind of stuff earlier. Pulling my hair.

{MATT} Oh boy... here we go.

{WINTER} Well, now you've hurt my feelings!

{MATT} I didn't mean to hurt your feelings, \*\*\*SIGH\*\*\* {INFO} open mouth an laugh

{WINTER} I don't know If I can do this friend thing.

{BRIAN} You just have to be considerate of one another's feelings.
