{INFO:}. All up except Pandora talking.

{MATT}. Hey, this vacation Bible school Study has been amazing. But I was wondering in this battle thing, how do we fight an unseen enemy?

{BRIAN}. Well, that's a good question!

{SAMANTHA}. I know, I know we use spray paint.

{WINTER}. Spray paint? How does that work?

{SAMANTHA}. Well, if you spray all around you, maybe, it will stick on them, and you can see them.

{MATT}. I don't think that's how it works.

{SAMANTHA}. Well, how does it work then?

{BRIAN}. They are like the wind you can feel around you, but you can't see the wind. And you can't see this enemy. That's why you have to fight them in the spirit.

{SAMANTHA}. Okay, so we leave this body and go into the spirit world and fight this unseen enemy. And then we come back into our bodies and have cake.

{BRIAN}. Have cake?

{WINTER}. I like cake.

{MATT}. I do too.

{BRIAN}. I think we're getting off into the weeds here... It's not about cake.

{INFO:}. { PANDORA }. Comes up.

{ PANDORA }. Hi, guys, what are we getting into today.

{SAMANTHA}. Well, we're trying to stay out of trouble.

{ PANDORA }. What fun is that?

{SAMANTHA}. Hey, maybe you can help us with this question we have.

{ PANDORA}. Well, I'm sure I'll have an answer.

{MATT}. Here it comes.

{SAMANTHA}. How do you fight an unseen enemy?

{ PANDORA}. Hummmmm and why are you asking me this question?

{WINTER}. In our VBS were learning about the unseen battle and how to fight it!

{ PANDORA }. Unseen battle hua! That sounds interesting. So what is invisible? Are they hiding under the bed? Is that why my hair looks like this? What?

{WINTER}. Well, I think you'll have to ask your mom why your hair looks like that. But the real question is how do you fight an unseen enemy?

{SAMANTHA}. Well, what does the Bible say about it?

{BRIAN}. Good question Samantha. What DOES the Bible say about that.

{SAMANTHA}. Well, that's what we're trying to figure out!

{BRIAN}. We may just have to wait for our teachers to tell us.

{WINTER}. Are you going to come to VBS with us, Pandora?

{MATT}. Yeah, you can sit with me.

{SAMANTHA}. What kind of a name is Pandora anyway?

{ PANDORA}. Well, some say. . . . When you're with me you have opened Pandora's box for real. I have no idea what they're talking about. I'm really a very sweet person. I even love my dog and all animals. I only poisoned him once on a accident. But . . . I do what I want, . . . when I want.

{SAMANTHA}. INFO: sarcastically That sounds like a lesson for another day. We might have a nickname you "Wild Thing!"

{MATT}. WILD THING. . . Na nu na na

{ PANDORA}. I like it!

{WINTER}. Oh my goodness, I'm glad were not sisters!

{ PANDORA}. I would be a better sister than you deserve.

{WINTER}. Well, I don't think my dad would appreciate you teaching me wild things.

{ PANDORA}. Wild things can be fun. . . . If done moderately.

{SAMANTHA}. Well, I guess that's the key word. . . "moderately", But what about this unseen enemy thing? This really scares me.

{BRIAN}. Well. . . the Bible says to pray without ceasing. That means always be in an attitude of prayer.

{WINTER}. When would you use that?

{BRIAN}. Well, when you feel like doing something wrong. . . "Like maybe following Pandora", a constant prayer life with God will help out with that situation.

{ PANDORA}. Why do you always think that I would do something wrong! I mean just look at me!. . . I'm as normal as they come. And if the truth was known I bet you would love it if I was your sister!

{BRIAN}. Well, . . . We would have to have some rules if you lived in our house.

{ PANDORA}. I never go by the rules, I always do what I want.

{BRIAN}. Again, that's a conversation for another day. With that attitude you can get into a lot of trouble. So always, be in an attitude of prayer and read your Bible every day. Put on the whole armor of God and you will be protected against the devil.. . . That unseen enemy.

{SAMANTHA}. Well, that makes sense . . . I guess.

{ PANDORA}. Well, I'll just shoot the devil with my invisible Ray gun.

{WINTER}. I think we won't see how that works if its invisible!

{SAMANTHA}. Hey, I hear we have a special guest with us today, in fact they've been here all week.

{WINTER}. Really, who?

{SAMANTHA}. Tin, Tin and Kip, Kip INFO A CHILDS NAME

{DAISY/PANDORA}. What makes them so special?

{SAMANTHA}. Well I heard there are quite the fisherman,

{INFO:}. Deliberate and raised voice I mean they have florescent poles and everything.

{MATT}. What is a florescent pole?

{BRIAN}. You know, one that glows in the dark!

{DAISY/PANDORA}. The lamp at my feet . . . it sounds biblical.

{WINTER}. If it glows in the dark! . . . Wouldn't that scare the fish away?

{SAMANTHA}. Well, I don't think it's that bright, but their dad did put florescent paint on their fishing rods and bought a "black light" to make them GLOW on his boat.

{BRIAN}. That sounds like a lot of trouble to go through. But I did hear about that on Puppet Book, in fact I think I have one of the things they caught right here hold on {INFO:}. {BRIAN}. Goes offstage for a few seconds. {BRIAN}. I know I've got it here somewhere. I kept it as a souvenir. {INFO:}. Making noise like looking for something Ah here it is. and puts the boot out on the stage for everyone to see AT THE END OF A STRING.

{INFO:}. All laugh and go offstage.

{BRIAN}. Any questions tonight?
